Verse 2:

It's kinda hard with you not around
Know you're in heaven smiling down
Watching us while we pray for you
Every day we pray for you
Till the day we meet again
In my heart is where I keep a friend
Memories give me the strength I need to proceed
Strength I need to believe.

Heart so big I just can't define
Wish I could turn back the hands of time
Us in a six, sharp and new clothes and kicks
You and me takin' flicks
Make a hit, stages they receive you on
Still can't believe you're gone
Give anything to hear half your breath
I know you're still living your life after death.
